ABOUT US

With their trademark mix of authentic raucous bar band rock and soaring four part harmonies, The Pragmatics elevate the classic good time party experience to a sweet science. The Pragmatics Good Times Experience is a rock, indie and soul odyssey through five decades, playing heart-strong anthems, killer memories and hidden gems from rock's rich history.

Travel a sonic journey that spans Queen, Faces, Killers, Rod Stewart, Crowded House, INXS, Tina Turner, Janis Joplin, Oasis, Temptations, You Am I, REM, Simple Minds, The Velvet Underground, AC/DC, Fleetwood Mac, The Jam, The Cure, The Boss - and lots more.

No Tribute band theatrics or dress-ups. Just songs you love delivered fresh and full of fire. In other words: Good Times.
